

Client Charter

The rpc Group of Companies is committed to providing an exceptional Client experience and to working with Clients in a partnership of honesty and trust.

We have developed this Charter to ensure that you enjoy the best experience in working with us and what you can expect.

1. Introduction

rpc international recruitment Ltd (trading as rpc technical recruitment, rpc IT & telecoms recruitment, rpc logistics & supply chain recruitment, rpc foodservice recruitment, rpc catering & hospitality recruitment, rpc commercial recruitment, rpc interim recruitment, rpc international recruitment and rpc consultancy services) collectively known as The rpc Group of Companies operates within Executive, Management, Technical and Commercial Search and Selection. As in any other profession, the maintenance of client focused business principles, high ethical and business conduct standards are essential.

We are proud of the high standard of our professional ethics and service, which we have maintained from inception. We have now formalised these standards for the benefit of our Clients in this Charter.

2. Business Principles

We are a niche, client driven, solution focused and totally professional Executive, Management, Technical and Commercial Recruitment and Search and Selection practice. Therefore, not unsurprisingly our business philosophy is based on providing a service so personal that it will see us working with the client, rather than for the client, building a lasting relationship that will add value to their business and creating a competitive advantage for the client

3. Our Mission and Vision

We are passionately committed to...

- ✓ Becoming the destination of choice for professionals who value the “truly personal” approach, provided by a highly motivated expert consultancy
- ✓ Being the “go to” Company for Clients seeking the highest calibre of career professionals in the specialist sectors in which we excel
- ✓ Providing a progressive, dynamic and forward thinking environment that empowers our colleagues to deliver exceptional customer service that engenders Client and Candidate long term loyalty

Our Vision

“To provide effective recruitment solutions that change the lives of Clients and Candidates for the better”

4. Our Values

All our work is undertaken within a framework of key values and behaviours with the simple aim of making the Company a great Company to do business with and a great place to work.

Put simply they are:

Trust, Respect and Integrity

Customer Focus

Commercial Focus

Empowerment and Accountability

Employee Fulfilment

They are broken down as follows:

Trust Respect and Integrity

Always acting with integrity, courtesy, politeness and decency towards others

Treat Candidates as individuals with courtesy and respect always and maintain the confidentiality of any information of a Candidate

Being ethical and legal and treating others equally, irrespective of race, sex, age, sexual orientation, gender reassignment, marital or civil partnership status, disability, colour, nationality, ethnic or national origin, religion or belief or political beliefs

Build effective partnerships with Clients which reflect a strong mutual commitment to the task in hand as well as mutual trust, candour and responsiveness

Treating others as you would wish to be treated yourself

Customer Focus

Recognising our Client's and their requirements – internal and external

A commitment to achieve the best results

Understanding our Client's needs; listening to their views and feedback; anticipating changes and trends and acting where relevant

Fulfilling our commitments to our Clients

Responding promptly to requests and any changing requirements

Commercial Focus

Commercially Viable

Honest and Trustworthy

Ethical and Legal

Flexible and Adaptable

Service Focussed

Willing to go the extra... (whatever that may be)

Empowerment and Accountability

Agreeing individual and team objectives in conjunction with our overall goals and targets

Constantly seeking development of our people and providing the necessary training

Recognising and channelling the strengths of individuals and encouraging their contributions to the team effort

Taking responsibility for providing solutions

Holding ourselves accountable for our actions

Employee Fulfilment

Creating good working conditions

Ensuring two-way communication is used when planning and decision-making wherever possible

Listening and responding to ideas, views and feelings

Creating an environment where people can enjoy their work and have fun

5. Our Code of Business Conduct and Ethics

To perform its business activities responsibly, The rpc Group of Companies adhere to the following ethical, social and business principles:
